

### Home Learning - Week 3

We have enjoyed another exciting week in Codden class.

- We have identified, extended and created our own patterns using shapes, peg boards, objects and painting.
- We have practised sounding out cvc words using our robot voices - oral blending and Segmenting
- We have been to our first singing assembly, everyone joined in beautifully and loved learning the songs that we will be singing at our Harvest Festival.
- Enjoyed our first PE session in the school hall. We learnt the stop/ready signal and explored moving our bodies in different ways.

### Notes/Reminders:

PE will be every Monday, please remember to wear your PE kit to school.

**Codden Class Information Meeting/Letters and Sounds** - Monday 25<sup>th</sup> September at 2:30 in class.

**EYFS/KS1 Harvest Festival Service** - Our Harvest Festival Service will take place in the Village Church on Thursday 12<sup>th</sup> October at 9:15am. We would be grateful of some parent helpers to help walk the children down to church please speak to a member of staff if you are able to help with this.

**Parent Volunteers/ DBS Checks** -We enjoy taking the children out on some local walks and trips; in order for this to happen we would be really grateful of parent helpers. If you think that you would like to help please contact the school office and fill out a DBS form. There is no cost for this and all details remain confidential.

**Class Library Book** - This week the children have chosen and brought home a Class Library Book to share at home, we will change these once a week in class, if your child would like to change it sooner they may do so when they arrive at school in the morning.

### Home Learning Task:

Practice using your robot arms and sound out cvc words in your home, for example 'b-i-n, bin', 'c-a-t, cat, d-o-g, dog'.

Many thanks for your help and support, see you next week.

Ms Burnell, Mrs Paul and Cheryl.
