

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Saunton home learning

This week, we have been planning our class story, based upon *Leon and the Place Between*, in English. In maths, we have been learning to use the column method for subtraction. In science, we have learnt about the different types of teeth.

Home learning

It is World Earth Day on 22nd April 2024. Your homework is to do something to look after our world - this could be planting some flowers, making some junk modelling art or taking part in a beach clean. We would love to see photos of what you get up to!

Reading

We expect everyone to be reading for at least five minutes a day and record this in their yellow reading journals.

PE

Our PE day is Wednesday. Please ensure long hair is tied back and jewellery is removed for PE days.

Times Table Rock Stars

Our Year 4s will soon have a new challenge on their accounts against Langtree's year 4s. Log on to see it go live!

DT materials

We will soon be making our bags in DT. We can supply plain white fabric for every child, but if your child would like a particular pattern or colour, please could they bring in 1m square of the fabric they would like.
