

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Lundy home learning

We have had a busy 'learning' week. In English, we have been extending noun phrases and using similes to describe pivotal points in stories. In maths we have been developing our division skills with the bus stop method. The Y5 children have been finding out more about reproduction in flowering plants. In art, the children have had a go at drawing still life, and they have been developing their drawing skills; learning how to add shade and how to draw 3D shapes.

Y5 Home Learning

Reading

We expect everyone to be reading for at least five minutes every day. You will be bringing home your reading journal this week. Please record your reading in this.

- **Times Table Rockstars** - I have set this to focus on 9x table ready for a times tables test next week.
- **Science:** to learn to spell and know what the following words refer to in a plant:
Sepal, Stamen, Petal, Stigma, Sepal, Stamen, Petal, Stigma, Ovule, Ovary

Y6 Home Learning

Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

Learn your 9 x table - I have set Times Table Rockstars to help you practise this one!

Complete the following pages of your SATs books:

English Comprehension - pages 4 & 5

Maths Reasoning - page 16

Arithmetic - pages 13 and 24

Grammar, Punctuation and Spelling - pages 2,3 and 29

Please remember to bring your books back in on **Wednesday - you were all amazing this week!**
