

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Barum home learning

This week in English we have started our new text, 'Orion and the Dark' by Emma Yarlett. We have enjoyed listening to the story and have talked about Orion's fears and thought of ways he could overcome his fears. We have also explored the text recording what we have noticed about the font, the colours used and the illustrations.

In Maths, we have continued our learning of 'Multiplicative reasoning'. We have learnt how to divide by sharing and we have re-capped halving and doubling noticing that when we half we divide by two and when we double we multiply by two.

This week in PHSE we have been talking about 'worry'. We thought about some little worries we may have, how they make us feel and how they can stop us from doing things we may enjoy. We thought of some different strategies and actions we can take if we are worried and created our own 'Tree of Trust' which includes all the people we can talk to when we have any worries.

PE - Our main PE day is still on **Thursday**, please could the children come to school in their PE kits on **Thursdays**. For safety reasons, if your child wears earrings please remove them for school on Thursdays, if they cannot be removed please cover the earrings with tape before coming to school.

Tarka Tennis

Please remember we are attending a Tennis Festival on Wednesday, the children will need to come to school in their PE kit and make sure they have their water bottle in school.

Home learning - In Assembly today the children talked about 'Earth Day 2024' and discussed the importance of looking after our world. This week for your home learning, have a go at doing something to help look after our world, take a picture of yourself doing this or draw a picture to share in class.

Reading - We expect everyone to be reading at home at least five times a week. Reading journals and books must be brought into school every day for reading in class.
