

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

### **Exmoor Home Learning - 9.5.25**

We have had a good week learning more writing skills through our Stone Age English sequence including relative clauses, prepositional phrases and modal verbs. In maths, the children have done some great work on finding fractions of amounts, they used their knowledge of times tables to support themselves. We enjoyed learning about VE Day and the children created some great newspaper front pages about VE Day in 1945.

### **Class notices**

Please ensure your child is not bringing Pokémon cards or Yoyos into school.

### **Home learning:**

#### **VE day**

Please research VE day and collect at least three facts about what happened and what life was like in England on VE day. Use this link below to help you:

### **Reading**

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

### **Year 4 times table test**

The year 4 times table test is fast approaching, in anticipation of this please practice as much as you can on the website below. It is very similar to how the actual test works.
