Head of School: Karen Lintin

Lundy home learning - 02.10.26

We have had an exciting week in Lundy Class. On Tuesday, we had our author M.G. Leonard visit our class - she showed us photos of all of the exciting places she has visited for inspiration for her stories! We loved watching her video of Tutankhamun / Nefertiti's tomb. We have produced a brilliant shared write of our non-fiction text about a Yangtze River finless porpoise! We have done a fantastic job of using dashes and brackets for parenthesis, facts, and humour. In maths, we completed our assessment for our number sense unit - we have learned so much in such a short time! We will now move on to our addition and subtraction unit. In history, we learned about life in the trenches and have amazed the adults with how we used our knowledge to write engaging diary entries.

Homework

This week, please complete the addition and subtraction problems. You can choose which side is right for you 😊 please put your homework in the box by Friday 9th October.

Times Tables

Please practise your 6x table. You could use:

- TT Rockstars (there is a competition with Y4!)
- Online games e.g. [Times Tables Games for 7 to 11 year olds](#)

Reading reminder

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged in their reading journals - please bring these in on a Friday.

PE day

Our PE day is Friday.
