## Saunton Home Learning - 1.5.26

We have had an interesting week while our visitors were visiting us, we just wanted to share how wonderful every single child was during the week. We are immensely proud of them!

In English, we practising using speech. In maths, we been applying our procedural understanding of addition and subtraction. We had a great time celebrating David Attenborough's 100<sup>th</sup> Birthday, the children created little fact files about the Earth!

### **Class notices**

PE is on a Thursday.

### Home learning:

#### **Reading**

The whole school expectation is that parents support their child to practising reading at home at least 4 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

#### **Inspiration**

As it is David Attenborough's 100<sup>th</sup> Birthday today and he is an inspiration for so many people. Can you think of someone who inspires you?

Draw a picture of them and write around them why they inspire you.
