Head of School: Karen Lintin

### Lundy home learning

The Y5 children who went to London had an amazing time - their behaviour was exceptional and they were great fun to be with. Well done Y5!

The Y6 children have been practising playing cricket this week.

All the children have been writing stories in English. We have been using the four operations to solve problems in maths and working on our bag designs in DT.

**After half term, the children will be making their own bags. Please provide fabric that they want to use. They should have brought home the measurements for the fabric they need. The fabric must not be stretchy as this is difficult to sew.**

**If your child does not bring in fabric, the school will provide it, however, it may not be the colour that your child wants to use.**

**Y5 and Y6 please come into school in your PE kit on Monday and Tuesday after half term.**

### Y5 & 6 Home Learning

#### Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

#### Reading Challenge

Read at least 1 book over the 2 week half term holiday. Be prepared to talk about your book with the class. You could bring in your book to show the class and talk about what you enjoyed or didn't enjoy.

**Revise your 6 times tables - test after half term, with division facts!**
