

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Exmoor Home Learning - 9.1.25

We have had a good first week back, getting back into routines and seeing our friends again. We have started our new sequence in English which is based on the book; 101 things to do to become a superhero or evil genius. The children have enjoyed creating their own superhero or supervillain. In computing the children started to create their own webpage using html and notepad. The children started their next sequence in PE which is Dance, by the end of the first lesson, everyone was taking part and having a good go!

Class notices

Forest School is every Wednesday and PE is every Thursday.

Home learning:

Reading

Continue to read and log your reads on Boomreader! It has been lovely to see that some children were still reading over the holidays! The whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Science

In preparation for our new science topic, come up with 10 questions about space that you hope to find the answer to during our science lessons?
