

## Home Learning

This week we have been learning about how pollution affects the ocean. Our story for the week has been 'Somebody Swallowed Stanley'. You may like to listen to the story: <https://www.youtube.com/watch?v=sF1-ZTRydIM>

- We have learnt about our Oceans and how they are affected by pollution. We learnt about the Great Pacific Garbage Patch and micro plastics.
- We designed posters to remind people to dispose of their rubbish carefully.
- In Letters and Sounds we have learnt to read and spell multisyllabic words such as: chimpanzee, animal, basketball
- In Maths we have learnt about subtraction being the inverse of addition, we have used words such as subtract, take away, less, equals, whole, part.
- We have sorted different types of rubbish and talked about what material it is made from, for example: paper, plastic, metal, glass, cardboard and glass. We have also started to recycle food waste from the dinner hall.

## Home Learning Task:

Practice your number bonds to 10 by playing the Save the Whale Game online.  
<https://ictgames.com/saveTheWhale/>

**Egg Box - Please could all chn bring in an egg box or small box (pet food pouch boxes are great!) for us to begin making pirate treasure boxes out of!**

Please remember to read five times and record it in your reading diary.

We hope you have a lovely weekend,

Mrs Paul, Ms Burnell and Cheryl.
