Lundy home learning – 06.11.26

What a busy first week back it has been! We have finished our shared write, planned and even written up our independent writes for our adventure narratives in English, been learning how to solve formula questions in maths and learned about the Sermon on the Mount in R&W. We have also done a fabulous job planning our Children in Need day next Friday!

Homework

This week, the homework looks a little different (and can look a bit overwhelming at first!). I will explain this to the class on Friday, but just in case anyone isn't clear…

- The CHECK-IN section contains multiplication and division questions designed to warm their brains up. The children should be okay with most of these, but if some are too hard, they can skip them.
- The 'READY?' section is an explanation of how to solve the problems at the bottom of the page.
- The 'SET?' section has the slightly easier questions.
- The other side of the sheet 'GO!' has the trickier questions.

As always, they can choose the side that is right for them 😊

Children in Need – Friday 13th November
Reminder – non-school uniform, cake sale, bake off!

Times Tables

Please practise all of your times tables. You could use:

- TT Rockstars
- Online games e.g. Times Tables Games for 7 to 11 year olds

Reading reminder

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged in their reading journals – please bring these in on a Friday.

PE day

We will have forest school on Wednesdays and PE on Fridays. PE is dance and they can wear 'grippy' socks if they wish, however these must have the little rubber dots / lines on so I can be sure they will not slip!
