Head of School: Karen Lintin

Lundy home learning - Friday 1st May

We had such a wonderful week at the residential last week - pictures to follow!

It's been a busy week preparing for SATs this week - we have been recapping key grammatical and mathematical areas, to make sure everyone is feeling as confident as possible. We are nearly there! In computing, we have covered a range of online safety topics, including online bullying, news or views and online reputations. In singing, we enjoyed teaching the school one of our favourite residential songs. In English, we have begun planning a sequence of writing around a place in nature; we will produce poetry, descriptive writing and a review or advert.

Homework

Thank you year 6s for embracing the challenge of our SATs buster booklets! As we go through these each week on a Friday morning, please bring your books in each Thursday so that they are ready & you have one more evening if you forget! This week, we are on:

- SPAG: Set C, Test 4
- Reading: Set C, Test 2
- Maths: Set C, Test 2

Times Tables

Some children are finding it tricky to recall their tables facts, and this is making it difficult for them to solve fractions problems. Please could you help them to practise these - they could use:

- TT Rockstars
- Online games e.g. [Times Tables Games for 7 to 11 year olds](#)

Reading reminder

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged on the Boom Reader app or website. Thank you for your support. I have given the logins for this app to all children who had previously lost their login.

PE day

Our PE day is Friday.
