Saunton home learning - 7/2/25

This week the children have been exploring poems inspired by artwork from our text 'paint me a poem'. In maths we have been exploring decimals and understand the value of each digit. In music we have started to create our own music inspired by Hans Zimmer and in computing we have been learning to use micro-bits to log data. Finally, we have also celebrated children's mental health week with some artwork.

Home learning

Mental Health Week

We have been learning about *Goals, Resilience, Owning your Emotions and Well-being.*

Create your own Feelings wheel - see the file called 'Feeling's Wheel'. Either print it off or draw your own and bring into school.

Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

Times Tables

Year 3

After our test, if you didn't get 12/12 please continue practising your 4 times table. If you did get 12/12, move onto practising your 3 times tables ready for our next test, if you have learnt this please practise your 6 times table. If you got all your 6 times table right, please practice your 8 and 7 times tables. If you have done this, please learn and practice your 9 times table and your 12 times table.

Year 4

After our test, if you didn't get 12/12 please continue practising your 6 times table. If you did get 12/12, move onto your 7 times table, then your 8 times table and then your 9 times table. If you completed this, please learn and practice your 12 times table. **If you have completed all of these continue to practice all of your times table.**
