## Saunton home learning - 25.10.24

This week the children have been writing our own texts about our chosen animal inspired by 'the anthology of intriguing animals'. In maths, we have begun using and practicing column addition. The children also had a fantastic time at Tiverton museum learning all about the Romans and how they influenced our local area.

## Home Learning

### Topic

Please have a go at making your own roman shield. I can't wait to see them all when we are back at school!

### Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

### Times tables

#### Year 3

After our test, if you didn't get 12/12 please continue practising your 4 times table. If you did get 12/12, move onto practising your 3 times tables ready for our next test, if you have learnt this please practise your 6 times table.

#### Year 4

After our test, if you didn't get 12/12 please continue practising your 6 times table. If you did get 12/12, move onto practising your 7 times tables ready for our next test, if you have learnt these please learn the 8 times tables.
