Head of School: Karen Lintin

Saunton home learning - 2/5/25

This week in English the children have been learning all about their new text 'Cinderella of the Nile' and we have been learning about expanded noun phrases. In maths we have learning about fractions and understanding that fractions must be equal parts of a whole. In topic, we have been understanding the meaning of prehistory and identify when the stone age happened in history.

The year 4 residential was amazing, Mrs Clark and I were so proud of all the children as they were so brave and resilient. They all had a wonderful time. There will be pictures on the website very soon!

Home learning

Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

Times Tables

Year 3

After our test, if you didn't get 12/12 please continue practising your 4 times table. If you did get 12/12, move onto practising your 3 times tables ready for our next test, if you have learnt this please practise your 6 times table. If you got all your 6 times table right, please practice your 8 times table. If you have done this, please learn and practice your 7 times table.

Year 4

After our test, if you didn't get 12/12 please continue practising your 6 times table. If you did get 12/12, move onto your 7 times table, then your 8 times table and then your 9 times table. If you completed this, please learn and practice your 12 times table.

Year 4 times table test

The year 4 times table test is fast approaching, in anticipation of this please practice as much as you can on the website below. It is very similar to how the actual test works.
