### **Saunton home learning - 9.1.26**

This week in English we have been exploring our new text 'Leon and the place between'. In maths we have practicing multiplication and learning how to use grid method. In science we have been exploring our new topic, 'light' and in music we have been learning how to identify a bass line and melody.

#### **Home learning**

##### **Shoe boxes needed**

Please could you bring in any shoe boxes with lids that you have at home, as we need them for our science topic.

#### **Reading**

Hopefully, all children have now given you their homework login booklets, with their Boom Reader details inside. It has been lovely to see that some children are already customising their avatars and are logging their reading! The whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

#### **Time tables**

The year 4 times table screening is fast approaching so please make sure you are getting your practice in using the website below, that is similar to the times table test, alongside times table rockstars.

[Multiplication Tables Check - 2025 - Timestables.co.uk](https://www.timestables.co.uk)

Please make sure you are practicing your timetables on times table rockstars for at least 5 minutes a day.
