Head of School: Karen Lintin

## **Exmoor home learning - 25/10/24**

We have had a fantastic final week of term; visiting Bath and Tiverton to immerse ourselves in the history of the Romans. As well as having a visit from the Devon & Somerset Fire Service, which we learnt a great deal from. We wrote our final poems for our English sequence and completed our maths unit.

We hope you have a wonderful half term and we're looking forward to seeing you when we get back!

## **Home learning**

### **English**

In preparation for our next English sequence, please can you choose an animal that you like and research it; finding out as much as you can about them (e.g. where they live, what they eat, how are they well suited to their environment, how long they live etc).

### **Reading**

Please continue to read over the half term!

### **Fire Service**

Tell your adults some of the information you learnt from Gemma during our assembly and workshop.
