

Home Learning -

This week we have continued our learning on Minibeasts.'

- We have drawn self portraits and have thought about the features of our face. We learnt how to mix a flesh colour.
- We have learnt about the life cycle of a butterfly and have created our own butterfly life cycles out of playdough.
- In Maths we have been learning about the teen numbers 11, 12, 13, 14. They learnt how to represent them in different ways such as numicon, tens frames, counters and objects.
- In Letters and Sounds we have focussed on writing sentences using CCVC words, we have learnt to read the tricky words: do what when out.

Home Learning Task:

Numbers - Look out for the numbers 11, 12, 13, 14, 15, 16, 17, 18, 19 whilst you are out and about, you might see them on doors, signs, in books etc, you could have a go at writing them down in your home learning book.

Rockpool - When we return to school after half term our learning will focus on 'the beach'. Please could you collect some objects for a class rock pool such as: shells, stones, pebbles, etc.

Reading - Please remember to read five times and record it in your reading diary.

We hope you have an enjoyable weekend,

Mrs Paul, Ms Burnell and Cheryl.
