

Executive Head Teacher: Melanie Smallwood
Head of School: Karen Lintin

Saunton home learning

This week we have started to look at our new text all about the Romans and have learnt about technical language, layout and different sentence types used by the author. In maths, we have been exploring place value further. In science we have begun to explore how light travels and reflects.

Reading

We expect everyone to be reading for at least five minutes every day. The children will be bringing their new journal home this week, so please encourage them to record in them.

Times table rockstars

Y4- Keep practicing your times tables on times table rock stars so that you are ready when we start having competitions between classes! We expect you to be doing this for five minutes every day.

Y3- You have been given your new login details and they are stuck in your yellow reading journal. Log on and give it a try at home

Two week home learning

In art we have been looking Anglo Saxon jewellery, for your two week home learning we would like you to have a go at creating your own Anglo Saxon style jewellery. You can make your jewellery out of any material you would like.
