Head of School: Karen Lintin

Tarka class learning

Tarka class enjoyed telling Miss Bennett and Christine about our trip to Rosemoor last week! They looked at photos and recalled what we did first, next, then, finally. The children used time connectives to write a recount of the day.

In preparation for our final piece of Pop Art, we sketched a design for our backgrounds using onomatopoeia words and different patterns.

In our maths learning, we started a new unit on Geometric Reasoning. The children impressed us with their knowledge of 2D and 3D shapes. We will be working on using directional language, particularly 'left' and 'right'.

Home Learning

In preparation for the Phonics Screen Check, please have a go at [Five Minute Phonics](#) - select the **oo (boot) ue ew u_e** digraphs and see how many words you can read!

Have a go at playing [Buried Treasure](#) - select phase 5 and choose any phonemes to practice reading real/alien words.

Enjoy the two-week holiday! We look forward to seeing you back in school on Monday 9th June 😊

Reading

Well done to those of you who managed to read 5 times this week! If you have read 5 times a week for 4 weeks this half term, you will have received a prize today!
