Exmoor Home Learning - 4.9.26

All the children have settled back into school, we have done lots of class based settling in activities. They have quickly got back into the routine of the school day and are loving their new classroom. Exmoor class created some wonderful self-portraits using collage and designed some superhero fruit and vegetables linked to our learning powers.

Class notices

In preparation for our art lessons, please could you bring in a photo of a relative for us to practise sketching portraits.
