## **Tarka class learning**

It's been a very hot and sticky week. Well done everyone for getting through it! Fingers crossed for more moderate temperatures next week.

The children enjoyed their sports day practice earlier in the week and are looking forward to their rescheduled sports day next Tuesday afternoon.

In English this week, the children have been recapping noun phrases and identifying them in our new class reading book 'The Owl Who Was Afraid of the Dark.' All the children have been practising spelling their year group common exception words.

In maths, both year groups have started work on recognising, finding and naming fractions. The year 1s have been exploring finding a half and a quarter of objects, shapes and quantities and the year 2s have been exploring finding three quarters and a third.

This week the yr1 children have been thinking about what makes them special and unique and enjoyed sharing some of their talents with Christine. The Yr2s have been finding out about the life cycles of animals and made a book about the metamorphosis of a butterfly.

**Home Learning Task:** with a grown up, use this link to practise your year group spellings
