Lundy home learning – 20.11.26

This week, we have been planning our shared write for our instructions for *How to be a WWI Medic*. The children have researched their chosen topic in great depth and have really impressed me with their knowledge! In maths, we have reviewed multiplying and dividing by 10, 100 and 1,000, and have been finding factors and multiples of increasingly large numbers. In PSHE, we talked about how our bodies feel when we are upset, angry or worried, and created toolboxes of things that help them. These have been sent home for them to keep.

Homework

This week, the homework is to complete the factors and multiples sheet. As always, choose the side that is right for you 😊 the common factors and multiples is the trickier side.

Times Tables

Please practise all of your times tables. You could use:

- TT Rockstars
- Online games e.g. Times Tables Games for 7 to 11 year olds

Reading reminder

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged in their reading journals – please bring these in on a Friday.

PE day

We will have forest school on Wednesdays and PE on Fridays. PE is dance and they can wear 'grippy' socks if they wish, however these must have the little rubber dots / lines on so I can be sure they will not slip!
