

## Barum home learning

This week in English we have written some fantastic information pages about mini-beasts using the conjunctions; when, if and as.

In RE we explored what it is like inside a Mosque, we discussed what makes a Mosque a sacred place for some people and why it is special to them.

In Maths we learnt how to add three 1-digit numbers by looking for or making doubles and number bonds to ten.

This week in Music we used our knowledge of jungle animals to create a graphic score for the class to follow.

In Science we learnt about food chains and made our own mini books to show our learning.

**PE** - Our PE day is Thursdays. Please could the children wear their PE kit on Thursday. For safety reasons, if your child wears earrings please remove them on PE day, if they cannot be removed please cover the earrings with tape before coming to school.

**Home learning** - To support our learning about the Olympics, please design a Barum team flag.

**Reading** - We expect everyone to be reading at home at least five times a week. Reading journals and books must be brought into school every day for reading in class.
