

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Barum home learning

This week in English we finished making our pompom chicks! We have written some fantastic instructions on how to make them, using imperatives verbs and the conjunctions and, when, if and after.

In Maths, we continued our learning of 'Multiplicative reasoning'. We explored the division symbol and the different language that can be used to explain it, we have answered some reasoning questions using grouping to divide amounts, we have represented the problems using a division calculation and bar models.

This week in RE we have thought about the signs that Easter is arriving and how these signs and symbols relate to the Christian Easter story. We enjoyed using pastels with cross stencils, identifying which parts of the story are sad and which parts are happy using happy or sad colours.

PE

After the Easter holiday our main PE day is still on **Thursday**, please could the children come to school in their PE kits on **Thursdays**. For safety reasons, if your child wears earrings please remove them for school on Thursdays, if they cannot be removed please cover the earrings with tape before coming to school.

Reading

We expect everyone to be reading at home at least five times a week. Reading journals and books must be brought into school every day for reading in class.

Have a lovely Easter holiday with your family!
