

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

## **Barum home learning**

In English this week, we have made some monster stick puppets and told our stories using the puppets. We then wrote some fantastic stories.

We have continued our place value learning in Maths, partitioning two-digit numbers using base ten and part whole models.

This week the children have enjoyed exploring maps and finding familiar landmarks on local maps. We then had a walk around the school grounds identifying different areas, buildings and natural features.

## **Information**

Our PE day is Friday, so please come to school dressed in your PE kit. You will need to bring a waterproof coat each week, as we will do PE outside, whatever the weather!

## **Home Learning**

### **Two-week project**

Our topic this term is fantastic beasts! Please could the children have a go at designing and making a beast out of recycled or natural materials. Thank you to the children who have already created and shared their amazing beasts, there is still one more week if you would like to make one to share with the class.

## **School Council**

We will be voting on Monday for our class representative. If you would like to be part of the school council, please make your poster explaining why you would be a good representative and bring it to school on Monday.

## **Reading**

We expect everyone to be reading for a least five minutes a day. Reading journals and books will be sent home on Monday.
