

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Saunton home learning

This week, we have been planning and writing non-fiction texts about a variety of wild animals. In maths, we have been learning to tell the time to the nearest 1 minute. We had a wonderful trip to the Quince Honey Farm this week, during which we learnt a lot about pollination and made beeswax candles and reusable sandwich wraps.

Home learning

Your homework is to find recycled items of different colours and label these with their colour names in French. You might choose to cut these up and stick them on a piece of paper to make labelling easier.

Reading

We expect everyone to be reading for at least five minutes a day and record this in their yellow reading journals.

PE

Our PE day is Wednesday. Please ensure long hair is tied back and jewellery is removed for PE days.
