Lundy home learning - May half term!

Well done everyone for your super hard work this term! I hope you have a wonderful break.

Homework

After the holidays, we will be auditioning for roles in *I'm an 11 Year Old, Get Me Out of Here!* Your homework is to prepare to act out one of your favourite scenes for your chosen characters. The full script is attached to the homework part of our website.

I will go through the roles (most children will be acting two characters) and script before Friday, so they are clear on what they would like to audition for and what they need to do. If your child does not prepare for an audition, they will be given one of the roles not filled during auditions.

PE day

Our PE day is now Wednesday.
