Saunton home learning - 07.11.25

It has been lovely to welcome all of the children back into school. This week in English we have been exploring our new text 'Rainforest rough guide'. In maths we have started learning about column subtraction. In science we have learnt about the digestive system and in topic we have learnt about the end of the pirate era on Lundy.

Home learning

To commemorate Remembrance Day please make a poppy at home to become part of a class wreath.

Reading

Hopefully, all children have now given you their homework login booklets, with their Boom Reader details inside. It has been lovely to see that some children are already customising their avatars and are logging their reading! The whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Time tables

Please make sure you are practicing your timetables on times table rockstars for at least 5 minutes a day.
