Saunton home learning - 28/3/25

This week in English the children have been working hard to create some dare to care guides of their own! In maths, we have been practising column subtraction involving borrowing. In science, we have been learning about sound is created by vibrations in the air and in art we have been using brusho to create our own landscape scenes on fabric.

Home learning

As we have been learning to tell the time this term your homework this week is to help your adults change the time on the clocks in your house.

Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

Times Tables

Year 3

After our test, if you didn't get 12/12 please continue practising your 4 times table. If you did get 12/12, move onto practising your 3 times tables ready for our next test, if you have learnt this please practise your 6 times table. If you got all your 6 times table right, please practice your 8 times table. If you have done this, please learn and practice your 7 times table.

Year 4

After our test, if you didn't get 12/12 please continue practising your 6 times table. If you did get 12/12, move onto your 7 times table, then your 8 times table and then your 9 times table. If you completed this, please learn and practice your 12 times table.

Year 4 times table test

The year 4 times table test is fast approaching, in anticipation of this please practice as much as you can on the website below. It is very similar to how the actual test works.
