Barum class learning

We had a lovely first week back to school, the children have settled in very well and have enjoyed catching up with their friends and making new ones.

We read the book ***Our Class is a Family*** to support us in creating our class rules. The children drew a picture of themselves and wrote their name in agreement. We also enjoyed making a birthday card to be given to a classmate on their special day.

Our English sequence this term will be based on the book, *Grendal*, a Cautionary Tale about Chocolate by David Lucas. We watched a short clip in which David Lucas talks about how he plans a story and had a go at planning and writing our own version what we think may happen in the book.

Home Learning Task:

If your child would like to be considered for a school council representative, please support them to make a poster at home with a photo/picture of them, their name and year group and any qualities that would make them a good candidate. E.g. good listener, creative ideas. Each year group will have the chance to vote for who they want to be on school council on Friday 19th September. **Please ensure posters are in school by Thursday 18th September. Children who were part of our school council last year will not be entered into the vote this year.**
