Tarka class learning

Thank you for bringing in the material for our DT project. The children enjoyed practising a running stitch this week. We will be starting our cushions on Monday 16th March. If you have not yet sent in material, please do so.

In maths, Tarka class have enjoyed using money to add two items in our Tarka Toy Shop. Year 2 were using related facts to help partition and add 2 two-digit numbers. Year 1 learnt to add and subtract using a number line. Year 2 have solved addition and subtraction problems using the context of money.

We changed the 'Stuck' story map to incorporate our shared ideas and began to write the new version of the story.

Year 2 spent an afternoon thinking about emotions and reflecting on friendships. Year 1 tested different materials to see which ones are waterproof in Forest School. We have been exploring, painting and printing with warm and cool colours in art.

Home Learning Task:

For home learning we would like the children to practise their maths skills using the games below. With adult support please click on the year group link.

Yr2 - [Number Fact Families - Topmarks](#)

Practise finding the fact families (addition and subtraction facts) for numbers up to 50 and then numbers up to 100.

Yr 1 - [Robot Addition](#)

Practise adding numbers up to 20.
