Tarka class learning

In maths this week the children have enjoyed using the Cuisenaire rods to investigate fractions and to support their learning when finding fractions of quantities. We have also been thinking about whole, half and quarter turns. In English, the children wrote their own endings to our shared story 'Poppy and the Balloon'.

In music we practised singing our rock song 'I Wanna Play in a Band' and we played along with the Glockenspiels. We also listened to 'We Will Rock You' by Queen and the children enjoyed clapping and stamping their feet in time to the music and singing along to the chorus. Some children new the verses too!

The children decided the colour and shape for their carnival headdress. Year 2 children drew and then cut out their designs and the year 1s chose a template to cut out. Next week we will be decorating the headdresses with feathers, sequins, gems, pipe cleaners and lots of colours and patterns.

Home Learning Task:

Each country in the United Kingdom has a national flower. For home learning this week we would like you to find out the name of each of these national flowers and create a picture showing each one. You could sketch, paint or collage your picture - the choice is yours!
