

Executive Head Teacher: Melanie Smallwood
Head of School: Karen Lintin

Barum class learning

This week in English, we have written a whole class story about the adventures of Traction Man. We have planned our Invent stories which will be about our own toy's having exciting adventures.

In Maths we have been working on subtraction. We have been subtracting 1-digit and 2-digit numbers from 2-digit numbers, using base 10 and number lines.

This week in ICT we have been drawing and creating music on 'Chrome music lab', we have used the song maker, making patterns to create a song. The children have really enjoyed using this app, here is the link if they would like to try this at home.

<https://musiclab.chromeexperiments.com/>

In PE we have been practising our football skills. I have been really impressed with everyone's focus and control. We have worked on dribbling the ball, passing the ball and shooting to score goals.

Home Learning

Do something kind and helpful for your Mum or your grown-ups that look after you on Mother's Day this Sunday.

Reading

Well done to those of you who managed to read 5 times this week! Please keep reading and remember you can read any book/magazine/poem/recipe/leaflet to go towards your 5 reads per week!
