## Tarka class learning

In English, we have started reading a new story *Sylvia and Bird* by Catherine Rayner. The children have enjoyed learning and retelling the story, identifying the adjectives in the text and describing the characters using their own adjectives. They also pretended to be a character from the book and wrote cards to another character.

In maths, we have continued working on counting in 2s, 5s and 10s.

In History, we listened to some music by The Beatles and started watched a video of a birthday party from the 1960s. The children discussed similarities and differences between then and now.

We were lucky enough to watch the KS2 talent show this afternoon! It was lovely to see such talented musicians and dancers. Tarka class were an excellent audience 😊

## Home Learning

To support our science learning about **materials**, look at the objects in your home... what material is it made of? How many different materials can you find in your house? Draw and label some of the objects and materials you find!

## Reading

Well done to those of you who managed to read 5 times this week! Please keep reading and remember you can read any book/magazine/poem/recipe/leaflet to go towards your 5 reads per week!
