

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Saunton home learning - 9/10/2026

This week in English we have been learning our new focus text 'a river'. In maths, we have using our addition and subtraction skills to complete missing number calculations. In science, we have been racing different liquids. In history, we continued learning about what life was like in the trenches and creating diary entries. In computing we have been learning to edit images.

Home learning

Mymaths

Please complete the mymaths homework I have set for you.

Reading

The whole school expectation is that parents support their child to practising reading at home at least 5 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Time tables

Please use your times table rockstar login and have a go at using it to help practise your times tables.

Mrs Lintin and I have set up a competition on TTRS between year 3 and 4. Let's see which class practices the most this week.

Reminder- times tables rockstars is deactivated at 7pm, this is a restriction set by times table rock stars not the school.

Class notices

On Tuesday 13th October we will be walking to the Venn stream (just passed the park) to gather inspiration for our current writing sequence. This will happen as part of the normal school day, however if you would not like to take part alternative arrangements can be made for them.
