Saunton home learning - 27.3.26

This week in English we have been writing our own letters inspired by our text 'the day the crayons quit'. In maths, we have been practising telling the time and then moved on to our next unit focused on addition and subtraction. In science we have been learning how our shadows change throughout the day. In art, we started our final abstract pieces.

Home learning

To support the learning we have been doing in class this week please practise telling the time in both analogue and digital formats.

Reading

Hopefully, all children have now given you their homework login booklets, with their Boom Reader details inside. It has been lovely to see that some children are already customising their avatars and are logging their reading! The whole school expectation is that parents support their child to practising reading at home at least 4 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Time tables

The year 4 times table screening is fast approaching so please make sure you are getting your practice in using the website below, that is similar to the times table test, alongside times table rockstars.

Multiplication Tables Check - 2025 - Timestables.co.uk

Please make sure you are practicing your timetables on times table rockstars for at least 5 minutes a day.

Book Bingo

A book with more than **100 pages**

A book more than **50** years old

A book set in a different country

A book that contains magic
